

TRADITIONAL™

KENTUCKY BLUEGRASS SOD SEED BLEND

DESCRIPTION

TRADITIONAL Sod Bluegrass Blend is designed for the sod producer who demands sod quality seed performance with the added value of higher yielding Kentucky Bluegrass varieties. The professional's choice for sport, lawn and landscape applications, TRADITIONAL Sod Bluegrass Blend is also at home on golf course roughs in the cool-season zone. Fast to establish and fast to knit, TRADITIONAL's sod formulation and wear tolerance will perform well in most bluegrass applications in the landscape.

FORMULA

Example:

35% Bluestar

35% Moonshine

30% Rhythm

*ask for current or custom formulations
