APPLICATIONS

Putting Greens, Tees & Fairways

- Inter-Seeding: Compatible color & texture; blends well with existing turf (avoids the *extremes* exhibited by other cultivars).
- New Construction & Renovation: With the latest germplasm and a broad genetic background, Luminary provides superior playing conditions without the risk of added variety specific maintenance.

FEATURES & BENEFITS

- Fine yet durable
- Brilliant medium green color
- Optimum density
- Resilient & wear tolerant with good recovery from ball marks. Not “puffy”.
- Versatile for tees & fairways
- Early spring green up
- Very good summer density
- Excellent winter color
- Reduced fungicide needs
- Competitive with *Poa annua*
